RE: Virginia Pollutant Discharge Elimination System (VPDES) Permit Modification  
VA0060402, McKenney Sewage Treatment Plant – Route 1010 Extension, McKenney, VA

Dear Mayor Mansfield:

A major modification of the referenced permit has been approved as detailed in the Fact Sheet Addendum. This permit supersedes the previous VPDES Permit VA0060402 issued to this facility. The permit has changed; please read the permit carefully because you are responsible for meeting all permit conditions.

As provided by Rule 2A:2 of the Supreme Court of Virginia, you have thirty days from the date of service (the date you actually received this decision or the date it was mailed to you, whichever occurred first) within which to appeal this decision by filing a notice of appeal in accordance with the Rules of the Supreme Court of Virginia with the Director, Virginia Department of Environmental Quality. In the event that this decision is served on you by mail, three days are added to that period.

Alternatively, any owner under §§ 62.1-44.16, 62.1-44.17, and 62.1-44.19 of the State Water Control Law aggrieved by any action of the State Water Control Board taken without a formal hearing, or by inaction of the Board, may demand in writing a formal hearing of such owner's grievance, provided a petition requesting such hearing is filed with the Board. Said petition must meet the requirements set forth in 9 VAC 25-230-130.B of the Board's Procedural Rule No. 1. In cases involving actions of the Board, such petition must be filed within thirty days after notice of such action is mailed to such owner by certified mail.

If you have any questions about the permit, please contact Tamira Cohen at (804) 527-5012 or [tamira\\_cohen@deq.virginia.gov](mailto:tamira_cohen@deq.virginia.gov).

Sincerely,

Kyle Ivar Winter, P.E.  
Deputy Regional Director
